

Lakeview Hospital 0.6 FTE Respiratory Therapist Days & No Weekends!

What we're looking for in you

- Must be credentialed by the National Board of Respiratory Care (NBRC) as a: Certified Respiratory Therapy Technician (CRT), or a Registered Respiratory Therapist (RRT,). Licensed as a Respiratory Therapist in the State of MN.
- One year ICU experience preferred.
- CPR certified through Red Cross or American Heart Association is required.
- Must be ACLS certified.
- CPFT (Certified Pulmonary Function Technologist) preferred
- Minimum 1 year experience with pulmonary function testing.
- Availability to work 0.6 FTE, 48 hours per pay period, Tuesday 8:00am-4:30pm, Wednesday 7:30am-4:00pm and Thursday 7:30am-4:00pm.
- You would have the option to work additional hours at Lakeview Hospital as a Respiratory Therapist with the following additional requirements: 1 year of ICU experience and NRP certification

The skills you bring as a Respiratory Therapist

- Excellent customer service and critical thinking skills. Excellent communication skills and coaching techniques. Patient and calm demeanor with the ability to work with patients of all backgrounds. Adaptable teaching techniques to the needs of each patient. Computer skills.

The purpose of the Respiratory Therapist role

As a Respiratory Therapist you will perform independent professional respiratory care diagnostic and therapeutic procedures in an appropriate, safe and cost effective manner. You will also support medical staff and other clinic staff in providing quality patient care. This position will be located at our Pulmonary clinic working with providers and nursing staff to complete spirometry, oxygen qualifying and patient education.

Your life at Lakeview

Join Lakeview Hospital, a market leader providing an outstanding patient care experience in the Twin Cities metro area, on our exciting mission of keeping patients healthier, improving the patient experience for each individual, and providing affordable care. At Lakeview Hospital, you will find a culture of excellence, compassion, integrity and partnership. Our employees take great pride in making our mission happen every day.

Lakeview Hospital is nationally recognized for putting patients and safety first! We have a long history of being recognized for our outstanding patient care by local, state and national organizations. Other healthcare organizations strive to receive this recognition.

Stillwater is the birthplace of Minnesota, a jewel on the scenic St. Croix River. A short drive from downtown Minneapolis and St. Paul and just across the river from Wisconsin, Stillwater offers a hometown feel with big town benefits. Whether outdoor activities in the beautiful nearby state parks or shopping on historic main street is more your thing, Stillwater is a fabulous community in which to work, live and play.
