

RESPIRATORY THERAPISTS

80 hours/ pay period – 2nd shift

And 40 hours/ pay period – 1st shift

10-hour shifts

At Beloit Health System, you'll find the facilities and medical technology of a large medical center, coupled with the warmth and personal service of a community health system. We're known for our friendly atmosphere and focus on patients – and for the exceptional career opportunities we offer.

- In-house pulmonary rehab program
- Arterial Blood Gas Lab
- Home Care Contracts
- Pulmonary Function Lab
- Routine and Critical Care

Candidates must be graduates of an CoARC-approved program for Respiratory Therapy and be able to perform all respiratory therapy modalities, including management of patients on life support, and blood gas collection and analysis. Current RRT credentials (or eligible and obtained within 1 year of hire) and Wisconsin license required.

We offer a competitive wage and benefits package, including health and dental, vacation, retirement plan, employer-matched TSA and much more. Interested candidates should apply on line or send/fax/e-mail resume and salary history to:
