I have been a member of the WSRC since 2007 and have been on the Board of Directors since 2013. I held a two year term as Secretary from 2013-2015 and am in a current two year term as the District 4 Representative.

I graduated from Milwaukee Area Technical College with an Associate in Respiratory Care in 2004. I received a Bachelor Degree in Respiratory Care from Grand Canyon University in 2012 and obtained a Masters in Business Administration from Grand Canyon University in 2016.

I began my respiratory care career at St. Joseph's Hospital in the Wheaton Franciscan system. I transitioned from intern to respiratory therapist to respiratory supervisor over my 7 years in the system.

Since 2010 I have been the Manager of Respiratory Care for Froedtert & the Medical College of Wisconsin at the Community Hospital Campuses – Community Memorial Hospital in Menomonee Falls and St. Joseph's Hospital in West Bend.

I was excited at the opportunity to join the Board of Directors and enjoyed my term as secretary. However, my passion is meeting people and getting them involved, so district rep is a great fit for me. I love the opportunity to meet others and share my enthusiasm for our field. I have a hunger for continuing education and keeping up on change and look forward to getting communication out to the members in my district...while getting to know them (and while having a little fun too!!)

I am honored to be on the WSRC BOD and will do my best to serve my district proudly.
