The Froedtert & the Medical College of Wisconsin regional health network is a partnership between Froedtert Health and the Medical College of Wisconsin supporting a shared mission of patient care, innovation, medical research and education. Our health network operates eastern Wisconsin's only academic medical center and adult Level I Trauma Center at Froedtert Hospital, Milwaukee, an internationally recognized training and research center engaged in thousands of clinical trials and studies. The Froedtert & MCW health network, which includes five hospitals, more than 1,700 physicians and nearly 40 health centers and clinics, draws patients from throughout the Midwest and the nation.

Froedtert Health has been widely recognized for our dedication to our staff, providing a work environment full of encouragement, innovation, collaboration and respect.

Our best-in-class wellness program has earned us recognition in the *Milwaukee Business Journal* as a Healthiest Employer and a Gold Well Workplace award from the Wellness Council of America.

We invite you to review the job posting below. If you meet the requirements and qualifications for this opportunity, you are encouraged to apply.
